

STAINLESS STEEL AIR FRESHENING SYSTEM

**Strong,
Secure
& Stylish**

Designed for **style & protection**

Made of robust stainless steel with anti-vandal locking device, Shield looks stylish in every setting.

Free-flowing **air freshness**

Shield's unique ventilation design ensures maximum airflow so that fresh fragrance is carried into the room.

Vandal & **tamper proof**

The dispenser's smooth contours means that potential vandals are unable to grip and tamper with the system. Shield adds style to your facility without compromising security and effectiveness.

Consistent fragrance **levels guaranteed**

Designed and engineered to deliver continuous and consistent fragrance and odour control for 60 days.

oxy-gen™
POWERED

World's Most Eco-Friendly
Air Freshness System
